

# KloudGin

Single Face of Work<sup>®</sup>

**KloudGin connects your customers, crews, back office, partners, assets, drones and sensors through a single cloud-based application on any mobile device in real-time, online or offline.**

Powered by artificial intelligence, KloudGin applications simplify information collection and field service execution, increasing worker productivity and safety.

# KloudGin Intelligent Utility & Energy Cloud

Designed for Water, Wastewater, Gas, Electric, Solar, Refuse, Municipalities, Telecom  
 Built on Configurable KloudGin Platform

KloudGin Analytics Cloud

<b>ASSET MANAGEMENT</b>	<b>MOBILE WORKFORCE MANAGEMENT</b>	<b>UTILITY APPS</b>	<b>CONNECTED CUSTOMER</b>
