

2-4 Weeks Turnkey DaaS PoC/Production Pilot | Worldwide

# Amazon WorkSpaces Solution Toolkit by Olikka Consulting Offer

## Simplify your virtual cloud desktop infrastructure

Olikka offers Amazon WorkSpaces Solution Toolkit that can be implemented in a proof-of-concept (PoC) in ≈2 weeks, or in production pilot in 4 weeks to get you with a working desktop as a service solution quickly and easily.

### Benefits

- Eliminate the need for up-front investment and ongoing management of infrastructure.
- Simplified management and maintenance with no infrastructure to manage or update.
- Provide a familiar desktop experience while keeping the data secure on the cloud.
- Access desktops from any supported device, including Windows, Mac, Chromebooks, iPads, Fire Tablets, and Android tablets, using web access through Chrome and Firefox browsers.
- Choose the hardware/software bundle you need, to provision desktops on-demand and simply delete when you no longer need it.

### Customer contribution

- Participate in a design workshop
- Provide access to appropriate technical teams and resources

### Key activities

Design and implement an enterprise grade Amazon WorkSpaces solution.

PoC/Pilot to a specific use case or user profile.

Olikka's Amazon WorkSpaces Toolkit, which includes Automated Provisioning, Insights Dashboard and WorkSpaces Helper.

Integrate seamlessly with existing customer enterprise Systems Management tools such as Microsoft System Center Configuration Manager or Microsoft Intune.

"Olikka provided Sensis the confidence to move from a traditional product to a modern day cloud based desktop solution."

– Rupesh Kapadia, General Manger IT, Sensis

### Solution space

Discover scalable and secure solutions that will empower you to achieve your business needs with Amazon Web Services (AWS) and AWS Partner Network (APN) Partners. Customer ready solutions are based on architectures validated by AWS, include a combination of AWS services and APN Partner technologies, can be deployed quickly with solution accelerators like AWS Quick Starts, and feature optional consulting offerings provided by APN Partners, to accelerate your cloud transformation.
