Certificate

Certificate number: 2014-014

Certified by EY CertifyPoint since: November 4, 2014

Based on certification examination in conformity with defined requirements in ISO/IEC 17021-1:2015, the Quality Management System as defined and implemented by

Amazon Web Services, Inc.*

and its affiliates (collectively referred to as Amazon Web Services (AWS)) are compliant with the requirements as stated in the standard:

ISO 9001:2015

Issue date of certificate: November 18, 2022
Re-issue date of certificate: November 22, 2023
Expiration date of certificate: November 30, 2025
Last certification cycle expiration date: November 30, 2022

EY CertifyPoint will, according to the certification agreement dated April 1, 2022, perform surveillance audits and acknowledge the certificate until the expiration date noted above.

This certification is applicable to (a) the services and their associated assets and locations as described in the scoping section of this certificate, and (b) any affiliates that are responsible for, or that contribute to, the provision of such services and their associated assets and locations.

Amazon Web Services, Inc.

Scope for certificate 2014-014

The scope of this ISO 9001:2015 certification is bounded by specified services of Amazon Web Services, Inc. and specified facilities. The Quality Management System (QMS) is centrally managed out of Amazon Web Services, Inc. headquarter in Seattle, Washington, United States of America.

The in-scope applications, systems, people, and processes are globally implemented and operated by teams out of an explicit set of facilities that comprise Amazon Web Services, Inc. and are specifically defined in the scope and bounds.

The Amazon Web Services, Inc. QMS scope includes the services as mentioned on https://aws.amazon.com/compliance/iso-certified/, the locations and Supporting Resources are stated in the following section of this certificate.

The Quality Management System mentioned in the above scope is restricted as defined in "AWS Integrated Information Management System (IIMS) Manual" version 2023.05, dated November 16, 2023.

This scope is only valid in connection with certificate 2014-014.
