Cloud enablement of DoD

- AWS enablement of DoD
  - Faster time to value – test and deploy solutions quickly, learn and adjust
  - Proven track record of supporting national security missions with Secret Region

- Unclassified DoD capabilities leveraging AWS GovCloud (US) (IL4/5)
  - SAP on AWS (U.S. Navy)
  - DoD DevSecOps environments
  - ABMS on ramp 4
  - COVID response symptom tracking
  - Data analytics and sharing systems

XVIII Airborne Corps

The XVIII Airborne Corps is “America’s Contingency Corps” and Fort Bragg is the home of the Army’s Airborne and Special Operations Forces. When America needs armed forces in a hurry, the first phone calls come to us.
