

## AWS CCPA TERMS

These AWS CCPA Terms (“**CCPA Terms**”) supplement the AWS Customer Agreement available at <http://aws.amazon.com/agreement> or other agreement between you or the entity you represent and the applicable Amazon Web Services contracting entity (“**AWS**”) governing your use of the Service Offerings (the “**Agreement**”) when the California Consumer Privacy Act of 2018 (“**CCPA**”) applies to your use of the Services to process “personal information” (as defined in CCPA) that is uploaded to the Services under your AWS accounts (“**Personal Information**”). Unless otherwise defined in these CCPA Terms, all capitalized terms used in these CCPA Terms will have the meanings given to them in the Agreement.

AWS agrees and certifies that AWS will not: (a) retain, use, or disclose Personal Information except as permitted in the Agreement and under CCPA; or (b) sell Personal Information. These CCPA Terms do not limit or reduce any other data privacy commitments AWS makes to you in the Agreement.
