

Certificate

Certificate number: 2025-018

Certified by EY CertifyPoint since: December 10, 2025

Based on certification examination in conformity with defined requirements in ISO/IEC 17021-1:2015, the Occupational Health & Safety Management System as defined and implemented by

Amazon Web Services, Inc.*

and its affiliates (collectively referred to as Amazon Web Services (AWS)) are compliant with the requirements as stated in the standard:

ISO 45001:2018

Issue date of certificate: December 10, 2025
Expiration date of certificate: December 9, 2028

EY CertifyPoint will, according to the certification agreement dated July 16, 2024, perform surveillance audits and acknowledge the certificate until the expiration date noted above.

**This certification is applicable to (a) the services and their associated assets and locations as described in the scoping section of this certificate, and (b) any affiliates that are responsible for, or that contribute to, the provision of such services and their associated assets and locations.*

Scope for certificate 2025-018

The scope of this ISO 45001:2018 certification is bounded by the Occupational Health & Safety Management System for:

Provisioning of cloud-based solutions from data center located in Hemel Hempstead, United Kingdom.

The Occupational Health & Safety Management System is centrally managed out of Seattle, United States of America. The scope mentioned above applies to the following locations:

S. No.	Location	Activities
1	Global Headquarters: 410 Terry Ave N, Seattle, WA, 98109-5210, United States	ISO 45001:2018 Central Functions for Management of Occupational Health & Safety risks associated with AWS equipment and activities within AWS leased data hall and at operational Data Center.
2	LHR95, Hemel Hempstead, United Kingdom	ISO 45001:2018 Management of Occupational Health & Safety risks associated with AWS equipment and activities within AWS operational Data Center.

The Occupational Health & Safety Management System mentioned in the above scope is restricted as defined in "DCC.MAN.001 Safety Management Program (SMP) Manual" version 01.00, dated September 16, 2025.

This scope is only valid in connection with certificate 2025-018.
